Five – Day Workshop on

PROJECT FORMULATION FOR NGOS

This tailor-made training is an intensive, advanced, practical and interactive program meant to impart thorough knowledge and skills in project formulation for resource mobilization for Indian NGO projects. It will deal with background analysis, problems and needs analysis, goal and objectives setting, strategic identification of activities, budgeting, results analysis, risk analysis, gap analysis, stakeholder analysis, etc.

About CCRT

CCRT is a renowned training centre having a mission to empower social work. Resource mobilization is a challenging area for NGOs and CSOs. CCRT offers to handhold stakeholders to overcome this challenge by training and capacity building.

Who will benefit from it better?

NGOs / CSOs / CSR project Managements / Religious Congregations / Dioceses / Missions and those who are planning to mobilize funds for their projects.
